At what
point in your
life is your
fate set?

Last year, the
dog we'd had for
over 10 years
named Luskay
passed away.

For 10 years
he lived
alongside us in
a cramped
apartment
complex.

and we
moved into a
huge house
that came
complete
with a yard.

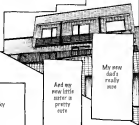

a whirlwind of
word about a
new guy led to
us soon
reuniting.

But right
after he
passed
away.

I apologized to Luskay
over and over.

And my
new little
sister is
pretty
cute.

My new
dad's
really
nice.

WHAT
A
LOSER
!

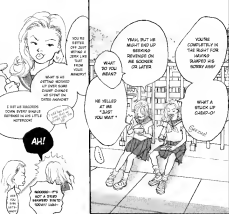

WHO-
AAA!

Risa-chan

like I
told you
before

that's
great!

AND IT GOT
TO A POINT
WHERE THERE
WAS NO
REPAIRING
OUR
RELATIONSHIP

AND IT
WAS THOSE
LITTLE
THINGS
THAT MADE
ME FEEL
THE
DISTANCE
BETWEEN
US EVEN
MORE.

on the way he
darked his tongue in
april 1968 when
the waitress
accidentally spilled
water on him

on the way he
just threw an

on the street

When I looked at his face closely, he'd gotten a couple more new cuts & bruises, and when I asked how he got them he replied "I forgot" It's kinda scary!

He goes to some technical school that specializes in electronics or computers or something or other

For example, even when he's called me out
suddenly in the middle of the night
and I get mad at him saying that I'm
sleepy, inside my heart's dancing.

When the summer rays come in through the

A black and white photograph of a protest sign. The sign is dark with light-colored, bold, sans-serif text that reads "I MAKE THE LAWS AROUND HERE". The sign is held up by a person, and the top of their head and shoulders are visible. The background is slightly out of focus, showing other people and what appears to be a street scene.

Yuri,
here

To Yuri 🐻

June 1 (Mon) Sorry with Clara's

Ugh, I was so pissed off today when
I got inside SAC's goal at volleyball, she threw things.
As for us, I'd a total buzz!! When I slip up,
she gets this really pissy look on her face!
Yuri, compared to us though, you're
a super dude!

Keep down though, she's a
tough nut to crack!

Neesssoo— don't
call it that!

As in, like
a diary
exchange!

To Emiko 7/11 (Friday)

Finally, summer break's arrived! Next year will be senior
so I guess this will be the last summer where we can just have fun? Oh if only
I went to go to the beach! But lately I've gotten fat so I'm not sure if I can fit.
I'm a bit embarrassed about that, but Emiko, give 'em a really nice figure so
I can go! For the Boro holidays every year, my grandma from

October 20th (Sunday)

I had to look up the going
for the 1st!

HAPPY BIRTHDAY YURI 🐻

You're reached 10, the age that's hard! I don't know why I like it so much though.
I just always liked the sound of that number though since I was a little bit, I wonder why?

To Enko
 Thanks for letting me come over yesterday
 Your dog Lucky is cute 
 It made me want to get a dog of my very own

To Yuri
 Ugh I can't believe I
 let so embarrassed that
 Oh well, I guess there's

with my grades I won't be
 never be able to do that
 Maybe I want to stay quiet a
 little while about

To Enko

Thanks for coming to see me today
 My friends gave love. It's 96.8 right now

Waitin' Yuri I don't want to start grade 9!
 Naaaaaa I don't want to have to take the exam!
